

Record the amount of staining on each pad and/or tampon used during your next cycle...

EXAMPLE:

	DATE					
	PAD	1	2	3	4	5
Light						
Mod						
Soaked						

Leave the "daily score" blank. It will be calculated in the office. Do not reschedule or delay your consultation if it is not complete by the date of your visit. **However, we will need this information in order to proceed to the ablation.**
